

School Council Meeting Holt Road site - Thursday 11th January 2018 Minutes

Present: Isabella, Reggy, Oakley, Lucia, Finlay, Luke, Talia, Jack, Dom, Brandon, Rose

Joe from Community Sports Foundation came and told us about his job. Community Sports Foundation has just bought 22 acres - it used to be the Anglian Water social club. It is now called 'The Nest'. They want to build big sport facility. It is in two phases. Funds have already been raised for Phase 1 and builders have started work this month. Horsford Youth Football Club will be playing all home games there from September. There will also be a residential building with 80-bed bunk boxes. The former clubhouse is being rebuilt. All the above is Phase 1 and it is due to open on 31st May. July there will be a sponsored run there for Nebula schools. Distances can be chosen: 1km, 3km 5kms. Between now and December they need to raise more funds to build Phase 2. There will be a 3G football pitch which will be all weather, a sports hall, which will be 8 badminton courts in length. The sports hall is for any sport but mainly cricket and netball. There will also be a 60 station work gym, a cafe, a classroom and offices. Sport England has provided much of the money. Lots of glass.

Each Nebula school this term needs to decide fund-raising events in school. The more money raised, the greater discount for school. The school council came up with fund-raising ideas. We voted for the most popular three. These were the votes:

Sponsored bike race/ride 6 (**joint third**)
Cake sale 6 (**joint third**)
Dodge ball 2
Running 2
Play games/fair for adults 8 (**joint second**)
Ice cream sale 5
Non-uniform 8 (**joint second**)
Fair 6 (**joint third**)
Cross bar challenge 5
Speed stacking 3
Shadow raffle (shadow teacher for the day) 9 (**first**)

Class Meetings week beginning Monday 15th January 2018

1. Tell your class about the meeting and the new sports facilities.
2. Out of the top 3 (actually 6!) - classes to vote on which they'd like to do to raise money.
2. Is there anything else you would like the school council to discuss?
