News this week:

Mrs Clarke's retirement

Some of you may already know that Mrs Clarke, our school secretary at the Mill Lane site, will be retiring at the end of this half term. Mrs Clarke has worked at Horsford for 28 years and has played a vital part in its success over the years, including the transitions from a middle to a junior school in 2007 and a junior to an all through primary in 2015. She will be greatly missed by staff, pupils and parents alike but we wish her a well-earned retirement and hope she will pop in from time to time to let us know how she is spending her newly acquired leisure time!

KS1 Nebula Multi-skills

Fifteen children from Year One and Two took part in a Multi-skills morning at the Mill Lane site, working alongside other Year One and Two children from the Nebula Federation. They started the morning with BBC Supermovers on the big screen and then took part in different activities, practising their balance, coordination, pace and throwing and catching accuracy. Our Horsford children represented the school well, and were kind and welcoming towards the other children. It was great to see everyone being so active.

PTA discos

We are looking for volunteers to help at our Holt Road discos on Friday 7th June between 4.30-6pm and 6-7.30pm. If you think you can help us please speak to Mrs Richardson in the Holt Road office. Thank you

Y3/4 Upcycling project

Year 3/4 are currently learning about recycling in their topic and science lessons. As part of this, in art and design technology they are going to be upcycling items that would normally be recycled. The teachers are asking if parents could send in any recycling items next week, in particular, glass jars and tin cans (clean and free from sharp edges) that could help with the projects.

Finnbar's Force Charity Day

Thank you for your support towards this charity. Your donations helped us to raise £323.10 for Finnbar's Force.

Collective Worship

Our value this half term is Trust.

In Open the Book today we heard the story of a time when religious leaders were listening to Jesus. They were in a house and some had travelled from far away. Some men took a man who could not walk to see Jesus, hoping that he would be healed. When they got to the house, they couldn't find a way to take him in because there were so many people. They made a hole in the roof above the place where Jesus stood and lowered the bed with the sick man on it. When Jesus saw that they believed he could heal the sick man, he told them that all the wrong things had been forgiven. The religious leaders were not happy about him saying this. Jesus told the man to get up, take his bed with him and walk. That is just what happened!

One thing the story can teach us is that sometimes things we think are impossible can actually happen.
