Dear Families and Carers,

We would like to thank you all for your incredible patience and understanding this week. In these unusual times we appreciate your flexibility and kindness as we ensure the safety of your children. We are constantly reviewing and tweaking our routines to ensure this remains the case so ensure you check our messages regularly.

It has been a joy to see the school full of children again, they have settled well and are really enjoying getting back to the core purpose of school; education and learning, as well as seeing their friends again.

During lockdown a website was recommended to support parents with their children's mental health, some families have reported that it was an excellent resource, so we have linked the website here, again, for you to access. <https://myhappymind.org/>

We have included a reminder of the arrival and dismissal times for different ages groups on both sites. If we keep to these times it helps reduce the time you need to queue! Remember the idea behind the staggered times is to ensure different bubbles of children do not mix when they are entering and exiting school.
