## News this week:

### School crossing patrol

There will be no school crossing patrol on Monday 17<sup>th</sup> September and both school offices will close at 3.30pm due to staff training.

### Music lessons

Unfortunately drum lessons with Mr Corfield did not start this week; he will be with us next week. It was great to see the Rocksteady bands starting this week. There are still plenty of spaces if you would like your child to take part. Visit <https://booking.rocksteadymusicschool.com/> to register your child's interest.

### Photo/name permission

As we are at the start of a new school year we would like to remind you to let us know of any updates that there might be to your child's details. This includes phone numbers and email addresses as well as permissions for their name and photo to be used in school newsletters, websites and social media. If we don't hear from you we will continue to use the information you supplied us with last year.

### After school clubs

We were visited at Mill Lane this week by Liberty from Premier Sport who talked to the children about the Street Dance club that they will be running on a Thursday 3.30-4.30pm from next week. This club is paid for by school which means that it will be free for the children to take part in each week. There is a limit of 20 places available for this term. Liberty explained to the children that this term the club will be working towards a performance that will be held in a professional theatre in front of parents at Christmas. If you would like your child to have a place please see Mrs Clarke in the office.

## Congratulations.....

Well done to the following children for being awarded a celebration certificate this week:

### Week beg: 10<sup>th</sup> September 2018

Sia Anderson, Isabella Casanova, Lottie Oliver, Harlie Barr, Nika Matvejeva, Leo Wright, Zak-James Burden, April Peek, Jack Tink, Tamika Murray, Lacey Pease, William Sokalsky, Ella Lincoln, Lily Soanes, Ruby Clapp, Jamie Betts, Reece Buck and Charles Daniels.

## Collective Worship

Our value this half term is Creation.

We had our first visit of the school year from the Open the Book team. Rev. Gary told us that this is the start of the seventh year that Open the Book has happened at our school.

Today we heard the story of the creation of the world from the very first book of the Bible - Genesis. Lots of children helped act out the story, showing how God created light, the sky, the Earth, seas, Sun, Moon and stars, birds and fish, other animals and humans.

The story reminds us that we need to care for creation so people in the future can enjoy it.
