

School Council Meeting Holt Road site - Thursday 15th March 2018

Minutes

Present: Isabella, Reggy, Oakley, Lucia, Finlay, Luke, Talia, Jack, Dom, Brandon, Rose

1. We raised £455 for The Nest.
2. We spoke with Amanda Cooper from Norse Catering (who provide our school dinners) about the ideas from classes. Some children order packed lunch because they don't like hot dinners. Some children like the food and think we have a good chef. Some at Mill Lane would like more choices for tuck on Friday. Tuck cannot include crisps as the government don't allow this; some children would like spicy food; chicken tikka masala to continue; chicken nuggets and chips; garlic bread; different flavours of jelly and ice cream; soup
3. Ideas about attendance - prize for class with best attendance; housepoints for 100% attendance each day; 100% attendance over the whole year to go out for trip; 100% attendance have 'free' period; if late, make time up at break; poster to promote coming to school if you only have a cold.; raffle for 100% attendance. Please vote.

Class Meetings week beginning 22.3.18

1. Which of the attendance things would you like? Please vote on the following:
 - Prize for the class with the best attendance
 - Housepoints for 100% attendance each day for the class or each week for a child
 - If you have 100% attendance over the whole year, go for a trip
 - If you have 100% attendance over a week, have a fun activity instead of a lesson
 - Anyone who is late to school, make up the time at break time
 - Design posters to promote coming to school if you are feeling just a bit under the weather
 - Raffle for 100% attendance
2. What are people's favourite food and vegetables? We will let Norse know and they may be able to change our lunches to include our favourites. Please tally.
3. Celebrate amount raised for CSF and thank the children for helping fundraise.
4. The new school values are courage, responsibility, compassion. Discuss what they think each of them mean (teachers/school council please write notes as we will use this to incorporate into the final wording) Please design picture for each value so that they can be displayed around both sites - pick children to do a design for each - then bring these to the next school council meeting.
