School council

Our school council have been discussing ways of making playtimes more enjoyable for everyone. One of the things the children talked to us about was having more quiet spaces where children could go to play card games, play with toys etc. We do have our haven lunchtime club at Mill Lane but it is very popular and gets full quite quickly.

With this in mind we have decided to re-name our parent shelter (the children are coming up with names as we speak) and use it as another quiet zone during lunchtimes.

The children would like to make up a box of things that can be taken to the shelter at the start of lunch and left for children to play with in there.

Are you having a clear out after Christmas of unwanted toys etc? Can you help us by providing any of the above items? The children would be really grateful for anything you can donate. Thank you!

Headlice

As we know, headlice are little creatures that can come and visit our children at any time and so we should be constantly checking our children's hair, however we thought we would make you aware that they have been found in some of our Y6 children's hair this week. Please be extra vigilant at checking for headlice and treat as necessary.

Collective Worship

Our value this half term is Reverence (Respect).

In Open the Book today we heard about Solomon, who was a wise king. He was not interested in owning lots of animals and property nor in having a large and powerful army. When he became king, he asked God if he could have the wisdom to make the right decisions. God was pleased that he asked for this and said to him that because he hadn't asked for wealth or power, he would give him wisdom. He said that he would also give him power and wealth anyway.

One day two women came to him. They both claimed that a baby was theirs. One said that the other's baby had died and so the mother had stolen her baby.

Solomon thought for a while and then asked for the baby to be cut in half and for each mother to have half of it. One of the mothers agreed to this while the other said that the baby could go with the other. Solomon realised that the woman who was the real mother of the baby was the one who offered it to be brought up by the other rather than see it killed. Solomon then asked for the baby to be given to the real mother. One of the things that we can learn from the story is the importance of telling the truth.
