### **Class Meetings week beginning Monday 26th February 2018**

1. How can we promote 'The Nest' fundraising? This is the new sports facility being built by the roundabout near Norfolk Cricket Ground.

2. Next week someone from Norse Catering (who provide school meals) is coming to speak to the school council. Are there any questions you would like to ask about lunches? Is there anything you would like to say about them?

3. Attendance. Why is it important? What do you think the school is doing to highlight/promote attendance? What could we do better? Make a list and vote.

4. Remind Mill Lane children that they should not be climbing onto wooden gate by parents' shelter/Mill Lane as it is a very dangerous thing to do.
