News this week:

Goodbye and hello

We would like to say a huge thank you to Mrs Clarke at Mill Lane, who is retiring today after 28 years at the school. She will be greatly missed by everyone but we wish her good luck with her retirement. We would like to welcome Mrs Chambers who will be joining us from Monday 3rd June. I know you will all help to make her feel welcome. For parents' information, after half term, the office at Mill Lane will be open from 8.30am-3.30pm.

Maths Weeks

A big thank you to the teachers and teaching assistants for putting on two great maths weeks across the school over the past fortnight. Miss Thurston and Mrs Kirton, as maths leads, visited both sites and enjoyed seeing how the children were using maths in other subjects. They were also able to see the types of resources that the children were choosing to use to help them with their learning. It was wonderful to see so many parents attend the maths cafes at Holt Road and the maths trail at Mill Lane. We hope you found the events both enjoyable and useful. If you have any feedback from them, please let our maths leads know as it will help them with future planning.

Year 3/4 Nebula Cricket event

The children in year 3/4 who were selected to represent our school in this event did a great job on Wednesday. There are lots of different skills needed to play cricket, and they all showed great resilience and team work playing against the other schools in the Nebula. Well done all.

PTA News

Future PTA events

With our Summer Fayre just around the corner (Friday 28th June) we wondered if any parents/families who are affiliated to any businesses would kindly consider donating a service or items for our raffle. The raffle is a very popular fundraiser and of course, all proceeds go towards the school to benefit the children. We, in return, will happily advertise your business. Please ring the school office if you are able to help us. Thank you

Collective Worship

Our value this half term was Trust.

This week, 3/4F celebrated the successes in their learning this academic year, as part of their class assembly. The children each chose a piece of work from this year which they were particularly proud of and discussed it as part of the assembly. They also used a poem to demonstrate what success means to them. The children finished the assembly with a prayer about trust, which is this half term's value.

Reverend Margaret visited Mill Lane today to complete our Values Day on responsibility. She had a session with each year group using the story of the Good Samaritan to explain how we can all be responsible throughout our lives.
