We are planning a "Grand Reopening" in September...watch this space for further details!

PTA News

As we write this, we are busy preparing for this year's summer fayre. A huge thank you to all the parents and carers who have volunteered their time to get everything ready for the afternoon, we hope the weather is kind to us.

Thank you very much for all your support towards the events we have run this term. You have helped us to raise significant funds for the school which enables the children to have access to resources and experiences which they would not otherwise have.

This year we have given £1000 towards maths resources on both sites, £2000 towards books and furniture to update the Mill Lane library as well the usual £1000 to the minibus fund. We also paid for the water bottles which were chosen by the school council as this year merit prize. At the end of this year we will be purchasing awards for the Y6 leavers as well as paying for the annual House winners' trip.

Congratulations.....

Collective Worship

Our value this half term is Wisdom (courage)

In Open the Book this morning we heard a story about a time when Jesus was teaching a great crowd. So many people wanted to hear him but not all could see him. One person in the crowd, a tax-collector called Zaccheus, was so short that he decided to climb up into a tree. When Jesus had finished talking, he told Zaccheus to come down from the tree. Jesus also told Zaccheus that he wanted to go and eat with him. The rest of the crowd started to grumble because tax collectors were not liked - as well as collecting taxes, they asked for more than they should and kept some of it themselves. When Jesus had finished speaking with Zaccheus, Zaccheus told everyone that he would repay anything he had taken four times over and would also give half of what was left to the poor. One of the things that the story teaches us is that people can have a second chance.
