News this week:

City Sports

Some of our KS2 pupils took part in the annual City Sports athletics event this week. It was the field events on Monday afternoon where the children competed against around 30 Norwich city schools in the javelin and throwing events. Congratulations to Lola-Mai Evans for coming second in the Y6 throwing event. On Tuesday afternoon our Year 3 and 4 children competed in the sprint and relay races. Well done to the Year 3 boys and girls and the Year 4 boys' relay teams for getting into the semi-finals. Well done also to Douglas Crampton, Robyn Smith and Kieran Archbold for getting into the finals for their sprint events. These children made their way back to the UEA on Thursday afternoon for the finals where Kieran came first in the Y3 boys 50m sprint and both boys relay teams came third. Well done to Jack Keeble who competed in the Y6 boys 800m race and came fourth. We were very surprised to find out that we had received first place for the small schools cup too. Well done everyone – great competing!

Y5/6 British Museum

Our Y5/6 children had a great day in our capital city on Tuesday when they visited The British Museum as part of their Egyptian topic this term. They went to look at the museum's collection of artefacts from Ancient Egypt. The children saw mummies, tomb paintings, items found in tombs, the Rosetta Stone and much more! This is the biggest collection of Ancient Egyptian artefacts in the UK. Everyone had a great (although very long!) day. Thank you to all the staff and volunteers who gave their time to make this visit possible.

Street Dance Show

Well done and congratulations to the children who have been taking part in our Street Dance club after school on a Thursday. All their hard work culminated in a spectacular event at the Puppet Theatre on Thursday night where they showcased their dance talents by performing to "Revoltin' Children" from Matilda. The children were so confident and rose to the occasion brilliantly.

Y6 transition with Reverend Margaret

Year 6 were visited by Reverend Margaret on Wednesday morning to explore their feelings around transitioning to High School in September. Reverend Margaret discussed the idea of children looking at their transition as stepping stones. They talked about what they might be worried about and also what they were looking forward to. She presented them with a bookmark each and suggested that they might like to use it in their bible that will be presented to them at the award ceremony on Friday 19th July. Thank you to Reverend Margaret for giving up her time to talk to the children about this important step in their lives.

Y5 Skillforce presentation ceremony

Congratulations to our Year 5 children for receiving their certificates at the Nest on Friday afternoon. Throughout the Prince William Skillforce Programme the children have the opportunity to learn first aid and survival skills, improve their team building skills as well as learning about remembrance through the team leaders who have all worked in the forces. Some of our children also took part in the overnight camp with children from the other Nebula schools.

Y2 How Hill residential

Year 2 have enjoyed a fantastic few days at How Hill. 31 children packed their pyjamas and favourite teddy and spent 3 days and 2 nights exploring the outdoors and enjoying sleepover fun with their friends. Each of the children has got a favourite story to tell from the exciting assortment of activities they have enjoyed, including, dyke dipping, orienteering, clay animal making and even a boat ride to Barton Broad. They have all returned to school with lots of happy memories.

Congratulations.....

Well done to the following children for being awarded a celebration certificate this week:

In Open the Book this

This week in Open the Book, the children listened to the story of The Kind Stranger. In the story, Jesus was challenged to define exactly who a person's neighbour was: "Is it the person that lives beside me?"

Jesus explained through the telling of one of our favourite stories, The Good Samaritan. The story showed that anyone could be your neighbour and that you should be kind and helpful to everyone that you meet.
