

Year 6 home learning tasks
Week beginning Monday 6th July

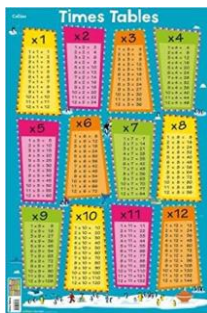

The work below is all available on your Google Classroom. To log in you will need to search Norfolk School Portal. Log in with your nsix email address and password. Then click on "Classroom". If you have any difficulties logging in please email either Ms McMurray or Miss Blyth.

hmcmurray37rb@nsix.org.uk or sblyth2nr4@nsix.org.uk

Arithmetic

The ultimate times tables challenge

Complete the [times table challenge sheet](#). Don't cheat by looking at the answers but check your work when you have finished.

PSHE: transition to high school

Watch this video:

<https://youngminds.org.uk/resources/school-resources/find-your-feet-transitioning-to-secondary-school/#film-resource>

Then complete your [transition booklet](#). This task is over two weeks. Think about your responses carefully. When you start high school, these are some of the questions you might be asked so it will be good to be prepared.

Maths

Fractions, decimals and percentages

Watch this clip:

<https://www.bbc.co.uk/bitesize/topics/zhdwxnb/articles/zyrj7ty>

Then complete the [worksheet to find percentages of amounts](#).

English

Doors- the world of possibility

Read pages 14-16 of the booklet. Complete activities 9 and 10 Planning and writing a portal story.

Art

Optical illusions

Watch this lesson on creating an optical illusion piece of art:

<https://classroom.thenational.academy/lessons/optical-illusions-and-using-shading-to-show-form-07dac6/activities/1>

Complete the activity.
