## News this week:

### World Book Day

A huge thank you to all the parents and carers who took the time to help dress up their child for our World Book Day celebrations. The children looked amazing and really enjoyed sharing their favourite book characters with their peers. Each teacher chose a "best dressed" for their class. Certificates and prizes will be awarded on Monday's celebration/awe and wonder assembly.

### Nut free School

Please can we remind all parents that we are a nut free school. This is because we have a number of children who have severe nut allergies. If they touch door handles, table tops, hands etc with someone who has handled anything containing nut based products they will have a severe reaction which could prove fatal. Please do not send your child to school with any nut based products, such as Nutella and peanut butter. Thank you for your cooperation with this very important matter.

### Formula Goblin Kit Car

Mr Patient will be starting his Formula Goblin after school club next Tuesday. He is looking for six Y5/6 children who are interested in helping to build and race the kit car. The children will need to be: good at following instructions; can work as part of a team; have good fine motor skills and will not be worried about driving the car on race day! If you think your child would fit the bill please give Mrs Clarke a ring at the Mill Lane office to have their name put down on the list. We will let you know as soon as possible if they have been chosen.

### Mother's Day Consent Form

We have joined up with Picture Studios in Norwich to take part in a Mother's Day competition. Please see the attached letters/consent form for more information. Your child will be bringing home a paper consent form for you to return to us.

Miss Anatola, Mrs Kirton & Mrs Palmer

## Collective Worship

Our value this half term is Compassion.

In Open the Book today we heard how Jesus was baptised. He was thirty years old at the time and realised that it was time for him to start to do the work that God had sent him to do. His cousin, John, had been living in the desert, eating locusts and wild honey. He told people to repent, which means say sorry for the wrong things they had done and turn to do the right things. He baptised lots of people. Eventually he saw Jesus. Jesus asked John to baptise him. John told Jesus that it should be the other way round but Jesus told him that John needed to baptise him. As soon as Jesus had been baptised, a dove came down and rested on him. All who were there, then heard a voice saying, 'This is My beloved son, in whom I am well pleased.'

One of the things that we can learn from the story is that we all have our own responsibility and need to recognise what we should do.
