

# Welcome to Wonderland

Week beginning 14<sup>th</sup> September 2020

## This week in Phonics...

We are developing our listening skills and understanding of sounds through rhyme and alliteration.

## This week in maths...

We are learning to count objects (rabbits, jewels), moving each one in turn and using the number names.

## As part of this theme I have...

Made a name badge using my name card to help me form the letters.  
Played a maths game with my friends.  
Chosen my favourite Alice in Wonderland character and added my name.  
Had a tea party with my friends.  
Painted the Cheshire Cat and White Rabbit from the story.  
Made food for the tea party in the Royal Mud Kitchen.

## Things to do at home...

Share rhyming stories at home together talking about the words that rhyme.

Go on a listening walk and identify sounds you can hear.

## Books to explore...

Alice's Adventures in Wonderland and through the looking glass by Lewis Carroll.

## Theme words...

Alice, Wonderland, Cheshire Cat, White Rabbit, The Queen of hearts, Mad Hatter, tea party, potion, watch, diamond, heart, dormouse.

## Philosophy

Choose which character from Alice in Wonderland is their favourite. Can they explain why they like them?

## Christian Distinctivness

We say a prayer before lunch each day, and in collective worship we will be exploring the idea of Hope.

Nebula  
where stars are born

## Thank you!

We have loved getting to know your children this week. Next week everyone is full-time. Gates & doors open at 9:00am and pick-up is at 2:50pm each day.
