Pumpkin Soup

Week beginning 7th November 2022

This week in phonics...

We will be practising recognising and reading words containing all of the sounds we have learnt so far.

We are learning to read 'me', 'we', 'be' and 'he'.

Why this 'theme'?

We have chosen this theme, following on from the children's excitement around Halloween and the changes outside with the seasons.

This also links with our collective worship focus of 'friendship'.

This week in maths...

We will be developing our understanding of positional language.

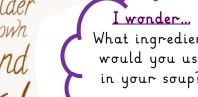

Skills Focus

The Natural World Understand some important processes and changes in the natural world around them, including the seasons and changing states of natter.

<u>Key Vocab</u> Changes, seasons, describe, observation

What ingredient would you use in your soup?

<u>Things your child can do at home:</u> Talk about the seasons and the changes that come with each of these, share books together, looking at the pictures and talking about the seasons it might be, follow a recipe and help to prepare and make some vegetable soup together.

Homework: Create a natural art picture using objects you collect outside.

We are a Church of England School...

<u>Did you know...</u>

Although we think of

pumpkins as

vegetables, they are actually fruits.

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Friendship' This week's song: 'Autumn Days'.

School Values:

Compassion · Courage · Responsibility

Reading Race

Well done to those children who have already earnt themselves a prize for getting all the way to 20 on our class reading race.

Remember that each day you read with your child pop a note in the reading diary. Each week when we read together we count these up and move the children along on our reading race.
