

# Competition to name the new phase of housing development in Horsford

We have been contacted by Unsworth Sugden, the building developers, asking us to help them name the new phase of housing which is to be built in Horsford.

They would like the name to reflect the local area, whether this be the history, wildlife or landscape of the area. For example the name of the first phase 'Butterfly Mill' reflects the rare butterflies that live in the nearby forest. The name of this phase could reference the forest or the history of the area, for example Horsford Castle.

There is a tight deadline for this competition with entries needing to be sent in to the office by Monday 6<sup>th</sup> February.

If you would like to take part, please fill in the information at the bottom of this sheet and hand it in to your teacher or to the office by **Monday 6<sup>th</sup> February**, at the latest. Please make sure your parent/carer has signed the form and completed the photograph permission section before handing it in.

Good luck!
