

Annual Cross Country House Event – Thursday 24th November

This year we have decided to hold our annual cross country event at each of our sites. Reception and Year 1 will compete in the cross country at Holt Road whilst Year 2 will take part in the event at Mill Lane. Each child that takes part will be running for their house and will generate a score for their team. The top three runners in each year group race will be awarded a first, second and third place medal at the end of the event. Scores will be amalgamated across all year groups to give a winning team. We welcome parents to come and cheer the children on at both sites.

Outline of the day:
