

Girlguiding

Girlguiding in Horsford has always thrived; there has been a Brownie Unit since 1967 and a Rainbow Unit since 1996. Sadly there is no longer a Guide Unit but with help another could be opened.

We rely on adults volunteering to keep all our units running each week. They do a fantastic job and I am sure that if your daughter attends or has been a member of either Rainbows or Brownies, you would agree they have a thoroughly fabulous time.

From September we will need some help to keep the Rainbow Unit running as the current leaders will no longer be able to help.

If you are over 18 and can spare 1 hour a week on a Monday, term time only, late afternoon/early evening please contact us.

Full training will be given.
