

Captain Flinn and the Pirate Dinosaurs

Week beginning 31st January 2022

This week in phonics...

We will be learning to read and write words containing the sounds 'ear', 'air' and 'ure'.

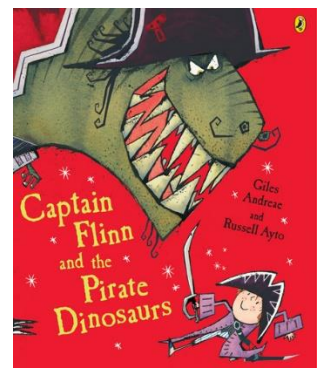

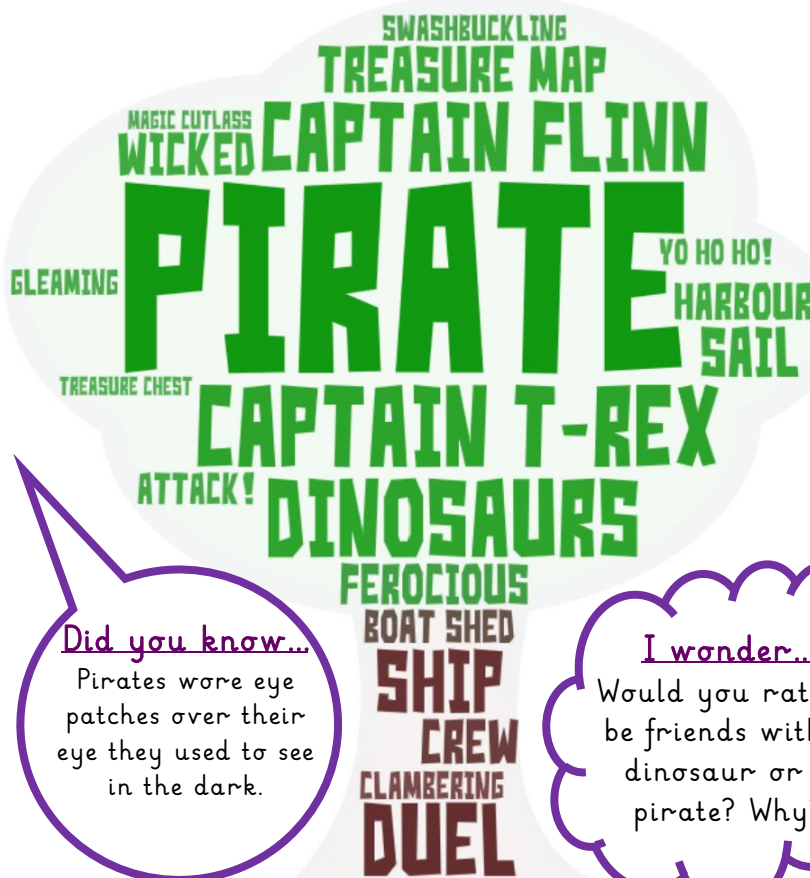

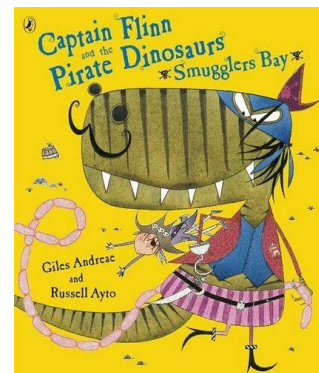

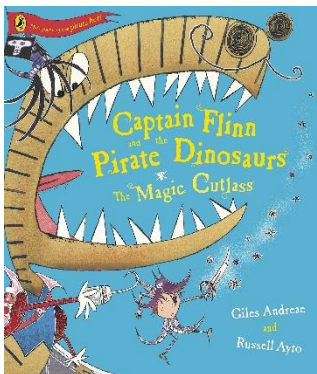

We are learning to read 'there' and 'what', as well as continuing to practise all previously taught words.

Why this 'theme'?

We have chosen this theme as it flows on from our 'Sharks' theme from last week. We will also be spending time contributing to the art work that will be added to our school GoGo dinosaur 'Breakasaurus'.

This week in maths...

We will be exploring numbers 6, 7 and 8. Counting, representing and comparing these numbers.

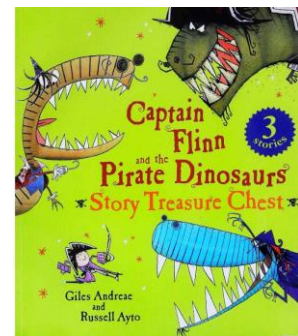

Did you know...

Pirates wore eye patches over their eye they used to see in the dark.

I wonder...

Would you rather be friends with a dinosaur or a pirate? Why?

Things your child can do at home: Share pirate and dinosaur stories together, make your own pirate props (cutlass, telescope) and create your own stories, write clues to help your grown-ups find the 'treasure' you have hidden.

Homework: Draw your own design on the GoGo dinosaur template. You could draw patterns, create a collage, paint shapes or create pictures on it.

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Reverence and respect'. This week's song: *Joy is the flag flown high.*

School Values:

Compassion • Courage • Responsibility

Library books...

Each Friday we visit the library together in small groups for the children to spend some time looking at the books and choosing one to bring home and share.

Please can you make sure your child comes to school on a Friday with their library book- if they don't bring it back, they will be unable to take out a new book!
