

Dinosaurs

Week beginning 4th October 2021

This week in phonics...

We will be learning the 'sounds' made by the letters g, o, c & k.

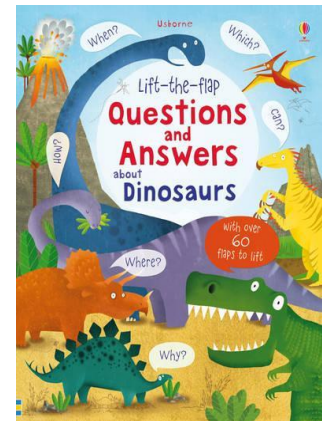

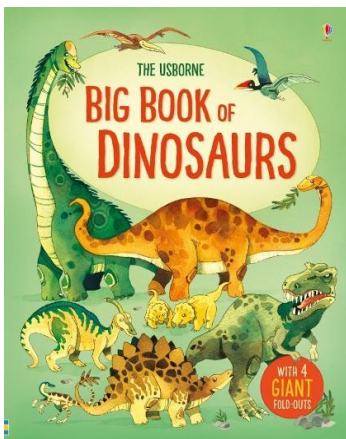

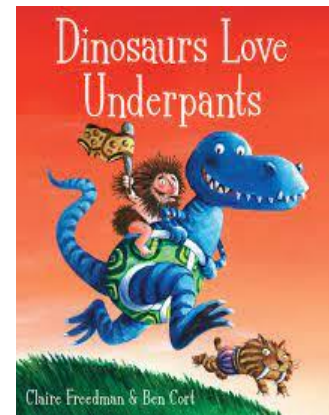

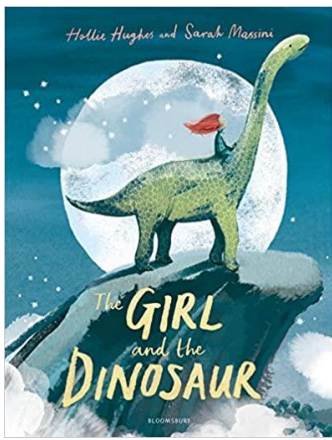

We are learning to read 'I', 'the', 'is', 'as', 'a', 'no', 'go' and 'of'.

This week in maths...

We will be exploring sorting, organising objects into sets based on their colour, size, shape etc.

Why this 'theme'?

We observed children sharing dinosaur books, sharing facts and creating their own dinosaur games.

gigantic
meteorite
wings
predator
omnivore
scales
stegasaurus
herbivore
tail
diplococus
triceratops
horns
feathers
plates
carnivore
meat eater
plant eater
huge
spikes
prey
t-rex
big

Did you know...

'Dinosaur' comes from Greek, and literally means 'fearfully great lizard'.

I wonder...

Would you rather be a carnivore or herbivore?

Things your child can do at home: Practise writing first-names with a capital letter at the start, share fiction and non-fiction dinosaur books, sing counting songs.

Homework: Draw a picture of your favourite dinosaur and add your name. Upload on Tapestry or bring into school to share.

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'creation'.

This week's song: *My God is so big, so strong and so mighty.*

School Values: Compassion • Respect • Responsibility

School Reading Books...

This week the children will be bringing home a school reading book, containing the sounds and 'Words of the Week' we have been learning in class so far. Practise this at home together, encouraging your child to spot these and begin to read them. Please make a note in the reading diary.
