

# People Who Help Us

Week beginning 15<sup>th</sup> November 2021

## This week in phonics...

We will be learning to read and write words containing the sounds 'j', 'v', 'w' and 'x'.

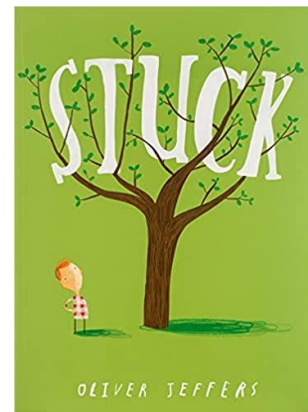

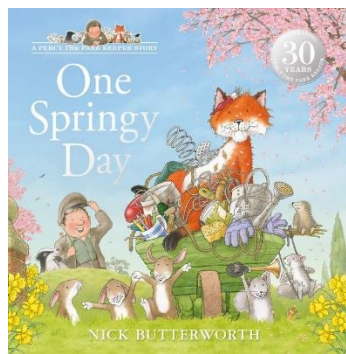

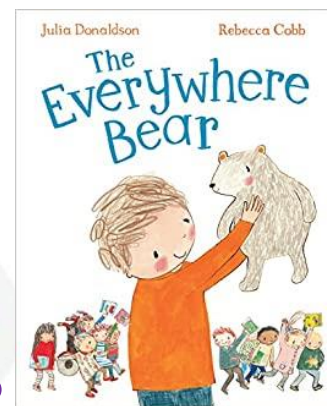

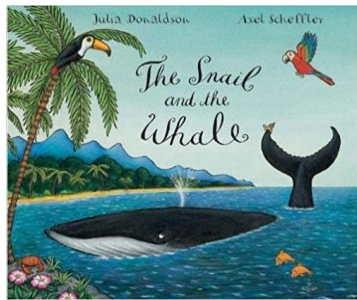

We are learning to read 'was' and 'you', as well as continuing to practise all previously taught words.

## Why this 'theme'?

We are thinking about people who help us linking in with Road Safety week. We will be exploring what these people do and how they help to keep us safe.

## This week in maths...

We will be learning to use positional language, e.g. in, on, over, under, next to, behind.

## Did you know...

Pedestrian crossings were introduced 87 years ago.

## I wonder...

Would you rather travel to school in a rocket or a hot air balloon? Why?

**Things your child can do at home:** Talk about road and car safety as you walk, bike or drive to school, share stories together about people who help us.

**Homework:** Draw a picture of someone who helps you and write a label next to it. Add your name using your name card to help you.

## We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Courage'  
This week's song: *Be bold, be strong.*

School Values:

Compassion • Courage • Responsibility

## Reading Books...

We have been very lucky this year to have lots of new reading books in reception. Unfortunately we have noticed some of these not being looked after.

Please can you ensure that your child looks after their school book, keeping it away from their drinks bottle and not drawing on the pages.

We appreciate your support with this matter.
