

The Little Red Hen

Week beginning 1st November 2021

This week in phonics...

We will be learning to read and write words containing the sounds we have been learning.

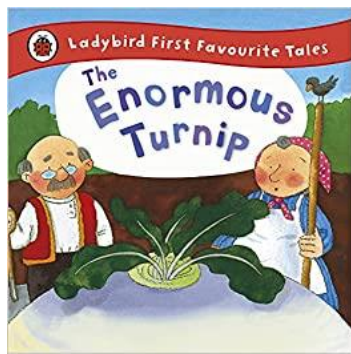

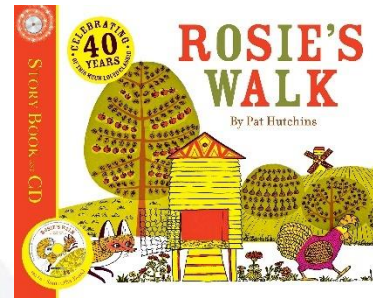

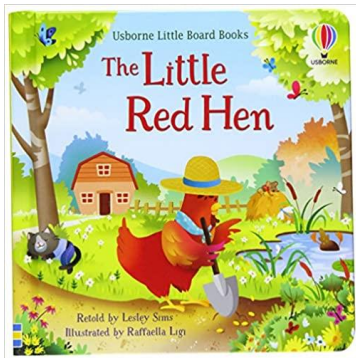

We are learning to read 'has' and 'she', as well as continuing to practise all previously taught words.

Why this 'theme'?

We are exploring this book as part of our storytelling week. We will be learning to retell the story of the little red hen, by learning actions, key vocabulary and using story maps.

This week in maths...

We will be representing, comparing and looking at the composition of the numbers 1, 2 and 3.

Did you know...

Bananas are technically berries and strawberries are not.

I wonder...

Would you keep the bread or share the bread? Can you explain 'why' using the word 'because'?

Things your child can do at home: Practise writing first-names using your name card, write a list of ingredients you need to bake something and pop to the shops with your money to buy them.

Homework: Look at recipes and choose something to bake at home together. Take a picture and pop it on Tapestry!

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'koinonia' (Fellowship).

This week's song: *Find a little seed.*

School Values: Compassion • Respect • Responsibility

Assertive Mentoring...

On the 8th and 9th of November 'Assertive Mentoring' meetings will be taking place with teachers. These meetings will give us an opportunity to talk about how your child is getting on at school, as well as giving ideas of things to work on and practise at home. These meetings will be taking place on 'Teams' and you will need to login with your child's email and password that we have sent home. See the newsletter for more information...
