

On Tuesday 14th November, the Horsford Youth FC committee voted to change the name of our club from Horsford Youth FC to Horsford FC. The club feel that the new name will reflect the welcoming for all to be involved within the club. We now host boys and girls from the age of 4, all the way through to adults football (our oldest registered player is 57!).

As part of our renaming, we are hosting a competition for 18's and under to design a new club badge.

Design us a new badge using the circle template, and win a Chapelfield voucher for £100. You can draw, or digitally design your entry. Once you've completed your entry, scan it and email it to chairman@horsfordfc.co.uk.

Design Criteria:

Our club colours are green, white and black. We'd also like the words Horsford Football Club included. Our old badge is below, to give you some ideas! Please don't make objects too small or detailed, as the badge has to be put on our kits. The badge must fill the whole circle. Entries are open for anyone aged 18 and under until Tuesday 19th December, and we will announce our winner in January 2018.

You can use the circle template to create your badge, or just send the image directly to us.
