The Horsford Neighbourhood Plan is a document written by the community to guide future development of the parish over the next 20 years.

The Neighbourhood Plan can't stop development, but it can influence the provision of housing, community facilities, the environment, businesses, services and transport access by developing local planning policy.

If successful at Referendum, it will become part of the statutory development plan for the area. **Make sure you have your say on the future of our village.** Together our views matter. Over the Summer we will be writing the Plan.
