

# Parent Questionnaire Feedback

## February 2017

Thank you to everyone who filled in a questionnaire during last half term's Assertive Mentoring session. Unfortunately we only had 77 questionnaires returned across the school, almost half the response from last year. After discussing the layout with parents in last half term's parent forum we have made some changes to the design and will be sending this out to all parents during the summer term.

Below are the responses for this survey, expressed as a percentage.

We are really pleased with the positive responses to most areas. Clearly behaviour/bullying and our Christian ethos are areas we need to develop. In light of this we have sent home our Behaviour Policy with every child this week in order for you to have a read through should you wish. Hopefully this will outline the ways the school reinforces positive behaviours and manages those that not acceptable.
