

Horsford C of E Primary School Core Values

Dear Parents/Carers,

As a part of the SIAMS action plan we would like to consult on the core values for our school. It is our aim to ensure that all the school stakeholders have the opportunity to be a part of our selection process.

Please explore the values below and highlight those that you feel best describe the ethos of our school or that you would like to see further developed.

The school council will discuss each of the values and during class meetings the children's views will be gathered and the staff and governors will also be consulted.

Please circle a **maximum of three** of the values given below:

Compassion Generosity Friendship
Truthfulness Responsibility
Creativity Courage Trust
Forgiveness Hope Perseverance
Peace Reverence and Respect

If you would like to offer any comments then please do so below:

Please return this letter, once completed, to the school office no later than Fri 26th January.

If you would like any further information about any of these values or have any questions or queries then please don't hesitate to ask.

Kind regards,

Miss Anatola, Mrs Kirton and Miss Anderson
