IMPORTANT INFORMATION - PARENTAL BEHAVIOUR POLICY

Dear Parents and Carers,

We have always prided ourselves on our open door policy and enjoy our relationship with you as parents and carers in working together to ensure the best outcomes for your children.

Unfortunately, over the past two years, we have had an increasing number of occasions where adults' behaviour towards other adults and staff, both in person and over the telephone, has been inappropriately aggressive. This has also included swearing on the playground.

We understand that parents and carers feel passionately about their children. However, we must ensure that adults have the opportunity to work in an aggression-free environment to be able to continue our open door approach.

Most importantly, we feel that good role modelling to children is one of the best ways of ensuring a secure understanding of how to work and play positively with peers.

The governors have agreed a policy (attached) which sets the expectations of adults' behaviour on the school premises in front of children and towards other adults. Should the expectations not be adhered to, the school will follow the procedure in the policy.

Best wishes
