

Theme: Mountain Rescue

HELP!! We have had an urgent call to our medical centre. One of our climbers for the new Planet Earth 3 documentary has injured themselves whilst climbing a mountain. We must assemble a team to plan our rescue...

English:

In KS1 we will be completing our end of term assessments. When we aren't completing these special challenges we will be focusing on developing sentence writing and spelling skills.

Maths

In KS1 we will be completing our end of term assessments. When we aren't completing these special challenges we will be exploring time and place value.

Phonics

We will be completing our phonics learning in class this week. Please continue reading with your child at home.

Year 2 Production

On Thursday 19th July the year two children will be performing their end of year production, 'Welcome to our World'. Tickets will be handed out to the children on Monday. If you haven't already done so, please order your tickets from the school office as soon as possible.

Common Exception Words

We are still working really hard at becoming super spellers. We are primarily focusing on learning how to spell the year one and two common exception words. Please continue practicing reading and spelling these words as they will support your child's writing development. If you need a copy of the common exception words, please see your class teacher.

Work books

The children will be coming home with their work books on Friday 20th July. If they could possibly come into school with a NAMED carrier bag, we would be very grateful.

Big Question:

'What have you done this year that you are proud of?'

End of year service

On Wednesday 18th July we will be attending our end of year service at Mill Lane. If you are available to walk up with us, please speak to your class teacher as soon as possible. Thank you!
