

## Theme: Mountain Rescue

HELP!! We have had an urgent call to our medical centre. One of our climbers for the new Planet Earth 3 documentary has injured themselves whilst climbing a mountain. We must assemble a team to plan our rescue...

### English:

In KS1 we will be exploring how add prefixes and suffixes to words. We will then practice writing these words into sentences.  
We will also continue to build our mountain rescue story, developing vocabulary and story telling techniques.

### Maths

In Year 1 we will be working with addition and subtraction. We will explore a variety of practical and written problems.  
In Year 2 we will be exploring number lines. We will work on identifying missing numbers on a number line, and estimating where numbers should go on a number line.

### Phonics

We will be completing our phonics learning in class this week.  
Please continue reading with your child at home.

### Year 2 Production

We will begin rehearsals for our end of year production. We will be learning a range of songs and making a variety of production props. Children will be asked about whether they would like a small speaking role and parts will be assigned. Letters regarding costumes will be sent out as soon as possible. Please see Mrs Lenton for any queries.

### Common Exception Words

We are still working really hard at becoming super spellers. We are primarily focusing on learning how to spell the year one and two common exception words. Please continue practicing reading and spelling these words as they will support your child's writing development. If you need a copy of the common exception words, please see your class teacher.

### How Hill

How Hill is nearly upon us.... Please make sure all forms have been completed and returned to Mrs Richardson.

When packing please ensure all items of clothing, suncream and insect spray are clearly **NAMED**.

Any last minute queries need to be directed to Miss McIntyre as soon as possible. Thank you!

### Big Question:

'Is God  
compassionate?'  
Discuss.

### Lost Property

We have a large amount of lost property in school. Please come and have a look for your child's lost items. Any clothing remaining by Friday 6<sup>th</sup> July will either be donated to charity or kept in school as spare clothing.
