

Hook:

We have heard whispers of mysterious noises coming from the island. We have been commissioned as part of the team of explorers on behalf of the Queen to explore the island and discover the source of the mysterious noises.

English

In Year 1 we will become philosophers. We will be asking questions about a variety of interesting pictures; and discussing our thoughts and feelings towards these pictures. We will then practice extending our answers with 'because'.

In Year 2 we will be taking part in a variety of activities that support our spelling and writing skills. We will be playing games and working in groups to become super spellers and writers.

Maths

In Year 1 we will be solving place value problems. We will become number detectives to practice identifying numbers to 100. We will also be playing place value games.

In Year 2 we will be playing maths games that help to develop our understanding of the place value and number. We will work in small groups to create our own maths board games using our knowledge of place value and number.

Year 2 SATs

Next week the year 2s will be completing their end of key stage assessments. The children have worked very hard throughout the year and should be very proud of themselves and all that they have achieved. We will be completing the challenges in our classrooms as usual.

Theme

In science we will continue with our experiments, including thinking about the different parts of an experiment. For example, observations, fair tests and conclusions. We will continue to test a variety of materials to check if our initial predictions were correct.

Maths homework

Please can the children complete challenge 24 in their maths homework books. Thank you ☺

Extension: Do you know your 2, 5 and 10 times table? Practice these times table at home and see how many multiplication number sentences you can write in five minutes.

Cardboard boxes

After half term as part of our PSHE topic, we will be creating talking boxes with the children. Each child will need to bring in a cardboard box (roughly the size of a shoe box) that they will use to create their talking boxes. Please can the children make sure that they have their shoe boxes in school by the first week of next half term. If anyone is able to donate additional shoe boxes we would be very grateful. Thank you for your continued support ☺

How Hill Drop in

If you have any questions or queries about our upcoming residential please feel free to drop in and see Miss McIntyre on one of the following dates:

Thursday 6th June - 4:30 - 5:30

Thursday 13th June - 4:30 - 5:30.

This would be an opportunity to discuss any concerns or queries you might have.

Phonics

We will be completing our end of term phonics assessment this week.

Please make sure the children have their reading books and diaries in school each day.
