Karl Nova is one of the UK's leading poets and hip hop artists delivering his work in his own unique, witty and energetic style

Born and raised in London as well as Lagos, Karl always found it difficult to fit in, it reflects in his music because he speaks as one who knows what it is like to be on the margins, in a world where conformity seems to be the key in gaining acceptance, he has always been one to defy expectations and go against the grain.

Rhythm & Poetry

In Rhythm and Poetry by Hip Hop artist and poet Karl Nova the beauty of rap lyricism and Hip Hop influenced poetry is displayed with wit, humour and positivity. His approach is to meet young people where they are and engage them with the style and attitude they are familiar with. This collection reflects on his journey of growth from childhood to adulthood through the lens of hip hop culture. A lot of the verses have already impacted many lives as he travels and delivers them with his unique and energetic style.
