

Malawi Link

Miss Anatola and Miss Blyth are going to visit our partner school in Malawi over the May half term break.

They will be working with the children at Chilanga Primary School to explore a global learning project.

Mr Chiaiwalika from Chilanga Primary will be making a return visit to Horsford Primary for the week beginning the 10th June to work with the our children and staff on our global learning project.

We are very excited have the opportunity to continue to develop our relationship with Chilanga Primary. We will keep you updated with all our work.
