Just a note.....

Anti-Bullying Week

It's National Anti-Bullying Week between 14th-18th November, so we will be discussing how we can make sure everyone feels safe and happy at school and what to do if this is not the case. Our assemblies and some lessons will be based around this theme next week.

Across the pond...

We had the pleasure of inviting one of our parents in to talk to the children all about her family roots in America. The children really enjoyed getting to know a little bit more about a different culture. If you have anything you would like to share with the children, it may be a hidden talent or something that makes you special, pop and see your child's teacher to discuss coming in.

Winter weather

It's certainly getting chillier outside as the autumn weather sets in. Please ensure your child has a coat in school every day. They may also like a hat, scarf and gloves but please ensure they are named.

Christmas Card Orders

If you would like to order any items with your child's Christmas Card design on, please complete the order form sent home earlier this week and send it into school together with payment by Wednesday 16th November.

Children In Need – Friday 18th November

We will be helping to raise money for Children In Need on Friday 18th November by asking the children to dress in non uniform, ideally using the theme "spots". We are asking for £1 donations per child or £1.50 per family. We would also like to hold a cake/bun sale so any donations of cakes/buns on that morning would be gratefully received. Thank you in advance for your support.

Reverse Advent Calendar Foodbank

Thank you for the donations we have received so far for the Advent Calendar foodbank. We will be collecting items up until Thursday 1st December so please keep the donations coming in. You can either collect 24 items at home and bring a completed box into school, or bring in an item to add to our advent boxes already in school. If you would like more information about this please follow this link to the EDP website.

Healthy Schools – Bronze level

We are pleased to announce that we have been awarded with our Healthy Schools status – bronze level. As part of this, we promote healthy eating throughout school, which includes tuck time. At our Holt Road site the government provide free fruit and vegetables for all children each day. Alongside this, Norse kitchen staff sell cheese straws, flapjacks and fruit juice. Please can we remind parents that children are not allowed to bring in their own tuck at Holt Road. If your child has any special dietary requirements then please let us know and we can make sure we have appropriate tuck available for them.

And finally...

A big thank you to your generous donations to support the Poppy Appeal. At Mill Lane we held the two minutes silence after listening to Big Ben's chimes at 11am and learning more about Armistice Day. At Holt Road our children were silent for a minute and encouraged to think about the people who had represented our country in history (and still do today) in order to build a better future for our families.

PTA News

Our next PTA meeting is on Monday 5th December at 6.45pm at Mill Lane. All are welcome, as we will be finalising details for the Christmas Fayres and looking ahead to next term's fundraising.

Please help us raise as much money as we can by donating items for our Christmas Fayres. We will be running a raffle, tombola, chocolate tombola, teddy bear stall as well as cakes and buns.

We will let you know when to bring the cakes in, but any other donations are welcome at either site as soon as possible.

Thank you again, in advance of your support.
