Staffing update:

Just to let parents of Zagazoo class know that Mrs Andrews will be away next week so Miss Anderson will be teaching the class during the mornings and Miss Wilson in the afternoons. We are looking forward to welcoming the Year 2s up at our Mill Lane site on Monday, Tuesday and Wednesday while some of the Year 6 children are on their residential in London.

Slapped cheek:

Slapped cheek syndrome is a viral infection that's most common in children. It usually causes a bright red rash on the cheeks. Although the rash can look alarming, slapped cheek syndrome is normally a mild infection that clears up by itself in one to three weeks. Once you've had the infection, you're usually immune to it for life. We have had some cases of slapped cheek in school at our Holt Road site recently. Please follow the link below to the NHS website for information which may help you if you think your child is infected. Unless your child is feeling unwell there's no need for them to stay away from school once the rash has developed, as the infection is no longer contagious at this point.

Toys:

Please can we remind parents that the children should not be bringing toys into school. We have had an influx of gadgets and gizmos being brought in which are disrupting lessons and causing problems. If you have any questions about this please see your child's class teacher.

EACH (East Anglia's Children's Hospices) Calendar Art Competition:

Please see the attached flyer (via email/website) which explains more about this competition. If your child would like to take part they need to create a piece of artwork based around one of their favourite memories. Artwork can be drawn, painted, glued, chalked and glittered. All entries must be on a single-sided A4 sheet of paper and parents must complete the entry and consent form (also attached via email/website). School must send off all entries by Friday 9th June so we will set a deadline for entries to be in school by Monday 5th June. Winners will have their design shown as one of the months in the EACH calendar and receive a goody bag and certificate.

Church News

Our new theme for Collective Worship this half term is Forgiveness. Reverend Margaret visited us during the first week of this term to introduce the value to the children through an assembly on both sites. We have been exploring this theme throughout the last few weeks.

Open the Book

Today the children heard the story from 2 Kings 11-12. This tells of the evil Queen Athaliah who wanted to kill the king's children so that she could remain queen. Prince Joash, one of the King's sons was saved and hidden in a temple. He grew up learning to play quietly and laugh softly so he wasn't found. Queen Athaliah never went to the temple because she wasn't interested in worshipping God or following His laws. She was just interested in doing evil. One day, Prince Joash's uncle, a priest, came to see him. He explained that he would crown Joash as the true king of Judah. This happened, and three platoons of soldiers guarded the temple to protect King Joash. Queen Athaliah couldn't get through the barrier of soldiers and was defeated. Her evil rule had come to an end. King Joash would follow God's laws and be a good king.

We thought about how Prince Joash had to be hidden as a child to be kept safe and we prayed about children all around the world to ask God to help to keep them safe from harm.
