Horsford C of E VA Primary School

What's happened in our school this week?

Welcome back to the Summer term. Let's hope the weather picks up soon and allows us to take part in lots more outdoor learning opportunities across the school.

Reception are quick off the mark this term with a theme all about transport after finding out that Miss Gilbert's car had broken down and she needs help to get it fixed! They had a visit from a Breakdown Recovery van this afternoon to find out about how cars are fixed when they break down. Great learning Hungry Caterpillars!

As you will have seen from the parent planner that was attached to last term's newsletter, we have many exciting activities planned for the children between now and the summer holidays. This includes our sports' day which we have devised to ensure there is some element of competitiveness but some fun events that will allow all children to take part. This is another of our parent events so we look forward to seeing you there - more details will follow in due course. Also, a PTA event has been organised that didn't quite make the planner: more details of this Quiz Night over the page.

We've had a great response for children wanting to take part in the after school clubs on offer this half term. We're sorry if your child didn't get a place, but they are on the reserve list should any spaces become available. They will also be given first choice next term.

Thank you to those parents who completed the homework survey online. We are in the process of collating the results and will be meeting with the Governor Curriculum Committee in the next few weeks to discuss how we will use the information. We will let you know the outcome as soon as possible.
