School Council Update

Our School Council met Joe Harvey from the Community Sports Foundation last week. The Council will be working with the CSF to fundraise to support the new 'Nest' project being built near to the airport. The project will provide sports facilities for the local community as well as allowing our school to benefit from the resources there. The children will decide on how best they can fundraise and we will then let you know about their plans as soon as they have made a decision.

School Uniform

Please can we remind you about the requirements for school uniform as we start this term – see the attached information sheet for guidance.

Our value this half term is Humility.

In Open the Book today we heard the story of two kings, King Saul and King David. Saul had angered God and was doing wrong. David was very different. He did what was right in God's sight. One of Saul's servants told Saul to send for David and to ask him to play his harp as that might calm him down. He did so but was still doing evil. Soon after, a war broke out and Saul's servants fought in it. David's brothers also went off to join Saul's army. They heard that there was a giant named Goliath who was going to attack them. They were all terrified of Goliath but David offered to fight him. David was very small and most people didn't think he would be able to defeat Goliath. However he flung a stone at Goliath and this killed him. Everyone was very pleased with David, even Saul. However this did not last for long and soon after Saul wanted to be rid of David as he was very jealous of his popularity. The story teaches us that we should not judge by appearances and also that if we have confidence we can do more than we might believe.
