Maths Calculation Parent Sessions

Thank you to those parents who attended our maths' sessions earlier this week. We understand that some parents who wanted to attend were unable to, so we will be holding a drop in session during the parents' evening meetings during the first week back after half term. Miss Anderson, Miss Anatola, Mrs Kirton and Mr Patient will be available to discuss specific maths calculations that you might need more information on.

New School Values

Thank you to those parents who have returned the new values' form given out a few weeks ago. On the form we asked you to choose three values from the options on the sheet that you think should form part of our new school values. We are hoping to receive more responses from you, so if you have misplaced your sheet please visit the school office to collect a new form. Alternatively, it has been sent out with this week's email.

Mill Lane Visits

On Monday 5th February our Year 3/4 children are visiting Gressenhall. They will need to come to school in warm clothes which you won't mind getting a bit dirty. They must wear their school jumper/cardigan and old trainers/wellies. They will also need a packed lunch for that day. On Wednesday 7th February our Year 5/6 children are visiting Whitwell Hall. They too will need to kit themselves out with the same things as our Year 3/4 children.

Letters

Today we have sent out a number of letters with this newsletter. Please make sure you have received these as they contain important information about parents' evening, parent events and reading week. They have also been attached to this week's email and uploaded to our website.

PE next week

The children at Mill Lane will need to bring their outdoor PE kits next week as they will be practising for the Tag Rugby tournament which is taking place on Friday.

Collective Worship

Our value this half term is Humility.

In Open the Book today we heard more about King David and King Saul. Saul wanted to harm David and so David hid from him. Saul and his army were looking for him but couldn't find him. Saul himself went out in search for David and ended up very close to the cave where David was hiding. One of David's friends suggested that David could kill Saul as he was so close but David told him that God didn't want that to happen. Instead David cut off a piece of Saul's cloak. Saul didn't realise that this had happened until David called him and showed him what he had done. David hoped that the fact he hadn't killed Saul when he had been so close would convince Saul that he didn't want to kill him. One of the things that we can learn from this story is that we can act peacefully and calmly if there is something that we want which is right and we don't have to be aggressive or violent to get it.

PTA News

Plans are well under way for the Easter Fayre which will take place near the end of this term.

We are looking for donations for the teddy tombola as well as unwanted gifts and bottles for our normal tombola stall. If you can donate any of these items please bring them in to the office as soon as you can. Thanks in advance for your support.
