Welcome back

We would like to welcome all of the children back for the Summer Term here at Horsford. We have lots of exciting events planned to enhance the children's learning and are looking forward to some good weather to allow us to hold our usual sporting events later in the term. Please find attached the most up to date version of the parent planner for the rest of this year. As always if you have any questions or concerns please come in and see us.

Staff Update

We would like to say congratulations to Mrs Fuller who gave birth to a baby girl on Monday 17th April. She has been named Evelyn and weighed a healthy 8lb 4oz. We wish Mr and Mrs Fuller all the best with their new addition to their family. Mrs Fuller has contacted us to ask if we can say thank you on her behalf to those parents who gave her gifts before she went on maternity leave – she was very touched by the overwhelming amount of presents she received. Thank you.

NSPCC Visit

Hayley, from the NSPCC, visited us on Thursday to deliver an assembly on both sites explaining how children can access help if they have anything they are worried about. She asked the children who they might talk to if they had a problem and we discussed who a "trusted adult" might be. The children said they would talk to their parents, grandparents, teachers or other adults at school. Hayley then told them about Childline, the national phone line that is run by the NSPCC, which children can access 24 hrs a day, 7 days a week. The children were told they can phone this number for free from any phone and talk to a trusted adult, if they didn't feel they had one to talk to in person. The children were given a way to help remember the Childline phone number 08001111, by using actions with their hands. See if the children can teach you the actions! As this is such an important charity we have agreed to help raise money for the NSPCC through a sponsored event. Please see the letter given out today which explains what we are going to do on each site. The children have also been given their sponsor forms to bring home. The class with the most sponsor forms sent back to school will be awarded a certificate for best class participation.

Church News

Our new theme for Collective Worship this half term is Forgiveness. Reverend Margaret visited us on Wednesday to introduce the value to the children through an assembly on both sites. We are looking forward to exploring this theme throughout the next few weeks.

In today's Open the Book session, some children from 6B helped the team tell the story.

The story was from the Old Testament and was about Daniel, Shadrach, Meshach and Abednego. Daniel and his friends wanted to do what God wanted them to do and so refused to eat food that they thought was sacred. Daniel said that they should only eat vegetables and water for ten days. At the end of the ten days, Daniel and his friends were healthier than other people.

The story shows us that we should do what is right.

It can be found in the book of Daniel, Chapter 1 Verses 6-20
