School photographer

As you will have seen on the parent planner sent home last week we have the school photographer visiting us on Wednesday 27th September. As usual the children will have their individual photos taken along with sibling ones if their brother/sister is based on the same site. If however, you have children at both Holt Road and Mill Lane, we would like to offer you the chance to bring them to Mill Lane at 8.30am on this day to have sibling photos taken then.

O2 Young Voices

Calling all singers!

We would like to offer the children in Key Stage 2 (Years 3-6) the opportunity to take part in the Young Voices Concert at the O2 in London on 1st February 2018. Our children will be part of a very large choir of over 6000, made up of pupils from schools around the country, who have all learned a range of songs from classical to pop and rock. As well as singing, there are bands and dancers - sometimes there have even been X-Factor contestants taking part.

This is an amazing experience and something which past pupils have thoroughly enjoyed taking part in. The concert is also open to parents, friends and family. Many parents who have been in the past have said it has been one of the best days they have ever had.

Please see the attached letter (via email) for further details and if you have any questions, please see Mr. Patient.

Collective Worship

In Open the Book today, we heard the story from Acts Chapter 14 where Paul and Barnabas heal a man who couldn't walk. They knew that the man believed that they could heal him in the name of Jesus and so they told him to get up and walk. The crowd saw this and decided that Paul and Barnabas were Greek Gods and so wanted to celebrate and worship the Gods. Paul and Barnabas were upset by this and told the crowd that they were just humans. They told the crowd to turn and worship God. Soon after some Jews came and persuaded the crowds against following what Paul and Barnabas were saying. Instead they had Paul stoned. Fortunately Paul was not killed.

The story teaches us that sometimes people don't always believe what is right and it may be difficult to persuade them otherwise.
