Just a note.....

Year 1 and 5 Productions

A huge thank you and well done to the Year 5 staff and children who put on a wonderful performance of the Easter Story earlier this week. It was lovely to see the children working together as a year group so successfully. We are looking forward to the Year 1 performance which has been rescheduled to Thursday next week (30th March) because of illness. We hope the children are feeling better and able to take part next week.

Mathletics

We just wanted to remind you that all the children have their own Mathletics log in and can access this online resource at home. It has maths games and quizzes that have a competitive element to them, so allows the children to challenge themselves. If your child has forgotten their log in please ask them to see their teacher who can recover it for them.

Year 3/4 dentist visit

Year 3/4 were visited by a dentist this week in connection with their healthy eating science unit. The dentist talked to the children about how to brush their teeth correctly including their gums and why you might need fillings. She told the children how much sugar they should have a day (maximum of 6 sugar cubes) and how much sugar is in certain foods. Some of the children were very surprised by some of the results!

Comic Relief

It was fantastic to see the children embrace Red Nose Day by dressing backwards and displaying their red noses throughout the morning. We will let you know how much we have raised for this charity on next week's newsletter.

Church News

This half term's Value is "Service".

We have discussed what service means and the children have learnt that it means to serve people. This can be by helping a friend who is upset, caring for animals or ill people, raising money for charities. The children have heard bible stories which show examples of service that we can follow, such as the Old Testament story of the widow who helped Elijah and the parable that Jesus told about the Good Samaritan.

In Open the Book this week, there were so many characters that four of the teachers had to take a part as well as some children. The children were told the part of the Easter story as far as Good Friday, ending with Jesus' body being placed in the tomb.
