Well done Year 2 and Year 6

A big well done to all our children in Years 2 and 6 who have taken the statutory SATs tests this half term. It can be quite a stressful time, particularly for the Year 6 children who are more aware of taking them than the younger ones, however they all tried their best and made their teachers proud. The results from the Year 6 (which are marked externally) will be sent to us in July so we will be able to inform parents and children at our last Assertive Mentoring session in the last week of term.

Design a Road Safety Poster – win Outside Live tickets

We have sent home a poster design sheet for every child today. Please read through the information – there is a chance for 10 children to win £20 each if their design is chosen as one of the winners. On top of that, the child will also receive a free family ticket to a concert of their choice at Taverham Hall in July. Entries must be sent in to school by Friday 16th June. Good luck!

Year 6 London residential

Although it was only last week, it already feels a long time ago that some of our Year 6 children went to London for their residential trip. We all had an amazing time visiting some of London's famous sites such as: the Natural History and Science Museums, the London Eye, HMS Belfast, taking a Thames river cruise and seeing Buckingham Palace. The highlight had to be watching The Lion King at the Lyceum Theatre, which was outstanding. A big thank you to the children who went for making it a memorable experience for Miss Anatola, Mrs Kirton, Mr Patient and Mrs Cooke, and of course thank you to those members of staff for giving up their own time to take the children in the first place. If you haven't seen them already, there are photos from the visit in an album on our Facebook page entitled London 2017.

Year 6 Filmmakers

Those children in Year 6 who did not go to London spent their days last week planning, rehearsing, creating and editing their own short films which will be taken to our Nebula Film Festival at the Forum on Thursday 29th June. The children were tasked with composing their own four minute films highlighting the dangers of the internet and suggesting ways that children might keep themselves safe when online. The theme of online safety was chosen to link with The Breck Foundation who will be delivering workshops to some of our older children later this term. Invitations will be sent out nearer the time to parents of children whose films will be shown at the festival.

Church News

Our new theme for Collective Worship this half term was Forgiveness. Reverend Margaret visited us during the first week of this term to introduce the value to the children through an assembly on both sites. We have explored this theme throughout this half term.

Open the Book

In Open the Book sessions today we heard a parable - a story with a meaning told by Jesus. It can be found in Matthew's Gospel Chapter 21, verses 28-32.

In the story a man has two sons. He tells one of them to go and work in a vineyard. The first son refuses at first but later changes his mind. The second son says that he will go but changes his mind and does not do so. The story teaches us that people who don't do what is right can change and do the right thing. It also teaches us that some people who think that what they do is right don't always do so. We can learn from the story that everyone is equally important.
