Year 5 cycle training – adult helpers needed

Some of our year 5 children will be completing their Level 2 cycle training on **Thursday 2nd and Friday 3rd February**. Part of this course involves them cycling on the road – they will use Mill Lane and part of Angela Road. In order to help the instructor carry out the course she requires two adult helpers to ensure the children are kept safe when cycling on the road. **We still need one adult for the Thursday afternoon and two for all day on the Friday**. This is such an important skill for the children to learn, particularly as they become more independent and start cycling to school on their own. Without adult volunteers it is very difficult for us to run this invaluable course. If you think you might be able to help us next week please see Mrs Clarke in our Mill Lane office.
Thank you

Assertive Mentoring sessions

Hopefully you have received our assertive mentoring letter that was sent home a couple of weeks ago asking you to make an appointment to see your child's teachers to discuss their progress and achievements so far this year. As you will see from the diary dates' box these appointments are taking place next week. If you have not received your allotted time or are not able to make the dates given please contact your child's teacher as soon as possible. We really do value these meetings as it gives us a chance to tell you how well your child is doing at school and for us to give you information about the targets your child is currently working towards. We look forward to seeing you there!

Parent Forum

This half term's parent forum is taking place on **Tuesday 31st January 2-3pm at Holt Road and 5-6pm at Mill Lane (please note change of venue)**. This time we will be discussing the upcoming Easter Fayre as well as asking for your views on a questionnaire we hope to give out to parents later this term. We will also be discussing and gathering your views on some of our school policies. We hope to see you at either time slot!
