What's happened in our school this week?

Our Year 5s had an excellent day dressing up as Anglo-Saxons on Thursday of this week. We were so pleased to see how much effort the children (and parents) had put in for their costumes as everyone looked fantastic and it really made the day come alive for all involved. In the morning the children had a chance to write the Anglo-Saxon Beowulf story translated into ancient runes - this was extremely effective as they were written on tea bag stained scrolls. Other children designed their initials in ancient style writing and made model boats. The next part of the morning involved children making a vegetable broth and oat cakes using ingredients that the Anglo-Saxons would have used during their time. In the afternoon we held a feast in the hall where everyone got to try the food. The oat cakes were enjoyed by nearly all the children - whereas the broth was more of an acquired taste! The day was fun, exciting and different; giving the children the opportunity to chat about the topic, get into character and some children even 'invaded' one of the year 3/4 classes! We hope the children enjoyed their day and we look forward to holding another Anglo-Saxon day next year.

Please find attached to the email sent with this week's newsletter an updated parent planner for next half term. We have added a number of extra events that have been confirmed over the last few weeks and have had to change some of the dates, so please replace your old planner with this one to make sure you are up to date with all of our events!

Have a lovely half term!
