## Horsford C of E VA Primary School

### What's happened in our school this week?

Year 3/4 visited Norwich Castle on Tuesday. The Stone Age topic is new to the curriculum this year so it was wonderful for the children to be involved in their Mystery of Prehistory day. They had a chance to learn a little about how archaeologists search for objects from the past and how careful they have to be when they pick them up. They found out how archaeologists record where an object was found. In another activity the children learnt about how Stone Age people cooked their food. The children had to make a model of a Stone Age pit oven. There were two other activities - the first was a session where they completed a trail while learning about how life changed through the Stone Age. The final activity gave the children the opportunity to try some Stone Age craft work - they learnt how thread was plaited and were able to bring their work home. The children gained a great deal from the day, which was very enjoyable.

Thank you to those parents who attended our Assertive Mentoring session this week, please contact your child's teacher if you had to cancel, so you can arrange to make another appointment.

We are also grateful to those of you who filled in one of our questionnaires. As a new school it is helpful for us to get feedback so we know how we can make our school even better for the children. If you have not had an opportunity to complete a questionnaire please use the one attached to this newsletter and hand in to either office. We will let you know the general feedback after we have had a chance to collate the results.

As part of National Storytelling week children from our Mill Lane site visited one of the showhomes at Butterfly Mill to listen to stories read by Mary Jane Story. This was organised through David Wilson Homes and was thoroughly enjoyed by all who took part. Remember to follow our Facebook and Twitter pages to keep up to date with any photos of events etc.
