School council meeting with Community Sports Foundation

Friday 12th January

Reception, Y1, Y2 parent reading – 9am

Welcome Back and Happy New Year!

It is lovely to see the children back after our Christmas break. We hope you all had a lovely time and managed to avoid any illnesses that seemed to be going around! As usual the Spring Term is a short one, with only five full weeks until half term, and another five full weeks after that until the Easter break. For those of you updating your new calendar, term ends on Wednesday 28th March. Time will fly by, so make sure you have a look at the parent planner that was sent out just before the Christmas holidays which outlines what we have got planned during this term. If you have not found your copy, it is on our school website under the Parent info section – term dates.

Y5 Skillforce

The next group of Y5 children will be starting Skillforce on Tuesday 9th January. Please can we remind you to return the consent forms if you have not done so already and that the children will not finish until 3.45pm.

Y6 residential

Final payments were due today for the Y6 residential to Kingswood in March. If you have not paid this please contact the school office as soon as possible.

After school clubs

Miss Starling would like to invite any children **and parents** (children can of course attend on their own) along to her first African drumming club next week (Wednesday 3.20-4.20pm) so people can 'have a go' on the drums and experience what being in the club might be like. Children can then sign up to be in the club from the following week.

Miss Anatola, Mrs Kirton and Miss Anderson

Congratulations

Well done to the following children for being awarded a celebration certificate this week:

Week beg: 18th December 2017

Daisy Barnard, Jamie Lemon, George Heaver, Katelyn Bone, Cameron Bish, Liam Egmore, Emily Moulton, Thomas Matthewson, Brandon Burns, Tamzin Gray, Siana Matthewson and Joshua Burnett.
