

Norfolk Library Service

Online book group for 8-11 yr olds

Norfolk Libraries are starting a new, online book group for children aged 8-11. The first title will be announced on their [facebook page](#) on 20th April. Don't worry if your child does not have the book suggested as they can download the books for FREE using the Libby app on a tablet or phone. They will need a library card and PIN to be able to access the books. Anyone who needs to join the library can do so by using [this link](#), the details you need will be sent by email. If anyone has any difficulty downloading ebooks they can email libraries.icconnect@norfolk.gov.uk and they will do their best to help you. There'll be a new book every 2 weeks. Children are encouraged to share their thoughts and reviews (via their parents) within [this facebook group](#) so they feel like they are part of a wider group of children taking part. They might even get their reviews published on their online catalogue or displayed in libraries when they re-open.

Online magazines

Norfolk Libraries also have some great magazines that children can download and read for free from the library as well as ebooks. Currently available are The Beano, Girls' World, Kids Gardening and Gaming and animal titles. Children can just log in to the Press Reader app or read on a PC/Laptop. Again, they will need a library card and PIN.
