

Safe School Run Pledge

Design a “safe journey to school” poster for your school!

**We want to encourage safe parking
outside our school and get more
children walking to school**

**Design
a poster
to promote safe
parking outside
the school!**

**You may want to include top tips
for your parents such as:**

- **Keep our air clean - turn off your engine when you're parked!**
- **Walk or cycle to school instead**
- **Park your car further away from the school**
