

## The Nebula Partnership

12<sup>th</sup> June 2017

Dear Parents/Carers,

We are currently trying to upgrade some calming and relaxing spaces around our schools. We are also trying to upgrade our sensory equipment for pupils on the Special Needs register. If any of you have the following items or similar at home, and would be willing to donate them, we would be most grateful!

There will be paper copies of this letter available at your school office for you to fill in if you prefer.

Please return this form to the school office, and I will contact you re collection or donation.

Many Thanks

Jenni Porter
