**We understand RE as a multi- disciplinary subject:**

In our curriculum RE is rooted in three disciplines. These are theology, philosophy and the human/social sciences, the latter of which is a collection of disciplines. Our progression map shows how skills within each of these disciplines are developed across the key stages.

**RE in EYFS will prepare children for the multi-disciplinary approach.**

**Pupils begin to explore the world of religion and belief in terms of special people, times, places and objects. They listen to, and talk about, religious stories which may raise interesting questions. They are introduced to specialist words and use their senses in exploring religious beliefs, practices and forms of expression.**

**Christianity** and at least **one** other religion, religious belief or worldview
