

Theme: It's a kind of magic!

Date: WB:1.10.18

Investigate

What do the Wizards herbs smell, sound, look and feel like?

Stories

Winnie the witch
Harry Potter
Spells
Room on a broom

Make

Create a magic wand with black paper and masking tape.

Make a magic hat using shiny paper and glitter.

Collage a magic garden.

Create potions, mixing different ingredients together.

Maths

Can you count out the objects needed to make the potions?

We need plastic bottles! If you have any empty plastic bottles at home please send them in (various sizes would be great!).

At Home

Read your new reading book.

Share your library book together.

Practise writing your name.

Create your own magic potion, counting ingredients that you add to it.

Words

Spells, magic, potions, witch, wizard, spell book, abracadabra, broomstick, cloak

Phonics Challenge

Explore making different sounds at home (loud, quiet, fast and slow).

Philosophy Question

Would you rather make a potion to make you big or make you small? Why?

Christian Distinctiveness

In collective worship we will be exploring the idea of **creation**.

Any other news...

On Tuesday 2nd October at 1.30pm it is our 'Stay and Play' with a focus on maths. We look forward to seeing you there! ☺
