

WE NEED YOUR HELP!

We are looking for donations to enhance our outside learning environment. If you have any of the following items that you could donate to school it would be much appreciated. We are looking for:

- Metal pots, pans and utensils
- Metal kitchen sink (If you know anyone who is replacing their kitchen!)
- 2 wheeled bikes (If your child has outgrown theirs!)
- Old toys- cars, diggers etc.
- Plants, including herbs

Please pop in to speak to us or feel free to drop any items off at the school office on either site.

Thank you for your support,

Miss Thurston, Mr Neave and Mr Williams 😊
